### Annual Survey Questionnaire Form

**ANNUAL QUESTIONNAIRE  
LANDSCAPE WATER USE STUDY**

TO: Landscape water use study participants:

FROM: Vern Quam (Forestry Department, Fargo, ND)

Jon Medina (United States Bureau of Reclamation, Denver Federal Center, D-8510)

The Fargo Forestry Department and the U. S. Bureau of Reclamation are conducting a study of water use in landscapes. The following questions will provide some information that will help us better assess the landscape water use during summer. **Thank you for participating in this study.** The information you provide will assist your utility and Reclamation in planning for the water resources needs of the future.

DATE \_\_\_\_\_

HOMEOWNER \_\_\_\_\_

ADDRESS \_\_\_\_\_

**Ignore the first four questions if YOU SUBMITTED a report last year and you have not made changes to your home (like remodeled and added another bathroom).**

1. How long have you lived in your home? \_\_\_\_\_ Years
2. What year was your house built? \_\_\_\_\_ Year
3. How many bedrooms are in your home? \_\_\_\_\_ Bedrooms
4. How many bathrooms are in your home? \_\_\_\_\_ Bathrooms
5. How many people reside at least 3/4-time at your home during the **winter** months, November through March? Please enter the number in each age group.  
\_\_\_\_ Adults (18 years +)    \_\_\_\_ Teenagers (13 to 17 years)    \_\_\_\_ Children (under 13 years)
6. How many people reside at least 3/4-time at your home during the **summer** months, June through August? Please enter the number in each age group.  
\_\_\_\_ Adults (18 years +)    \_\_\_\_ Teenagers (13 to 17 years)    \_\_\_\_ Children (under 13 years)
7. Do you have low-flush (use less water) toilets in your home? \_\_\_\_\_ Number of low-flush
8. Do you have low-flow shower heads in your home? \_\_\_\_\_ Number of low-flow showers

Mail this questionnaire to: **Vern Quam, Landscape Water Use Study, Forestry Department, 402 North 23<sup>rd</sup> Street, Fargo, ND 58102.** If you have questions on this item, call Vern Quam at 461-8496.
