Emergency Evacuation

FARGO, N.D. (**March 27, 2009**) – The Fargo Police Department is issuing a mandatory evacuation of all residences east of 4th Street South between South River Road and Lindenwood Drive. There has been a flood protection breach at Linden Avenue, East of 4th Street South. Due to the immediate threat of rising flood water, the City of Fargo is ordering a mandatory evacuation.

Residents of this area of the city should immediately proceed west of the neighborhood. Residents who do not have an alternative place to stay may seek emergency shelter at Fargo South Campus II (Agassiz). Additional shelters will be designated as needed.

Residents should stay tuned in to local radio broadcasts for additional evacuation and temporary shelter information.
