## **PERMIT GUIDELINES**

- 1) This permit does not allow parking in No Parking zones or any other prohibited area as set forth in City Ordinance.
- 2) This permit will allow parking a commercial vehicle and/or trailer upon City street right-of-way when boulevard or driveway access is not feasible.
- 3) Vehicle and/or trailer must be properly licensed as required by the State of North Dakota.
- 4) A properly sized pad must be placed under any jack or dolly when a trailer is disconnected from the pull vehicle, to avoid any street damage.
- 5) Street parking will be allowed only if appropriate measures are taken to insure public safety, including, but not limited to, diamond grade ~~A~~conspicuity tape@ around the entire perimeter of the trailer and/or equipment. Cones shall be used in advance of any trailer or equipment when work is in progress.
- 6) This permit does not allow parking a vehicle or trailer directly across the street from another parked vehicle or trailer.
- 7) This permit does not allow obstruction of in place sidewalk.
- 8) The owner=s name, company name (if any), and phone number shall be legibly indicated on any trailer or construction vehicle.
- 9) Twenty-eight inch cones or barrels with high-intensity sheeting around the entire perimeter of the trailer and/or equipment may be substituted for the measures prescribed in subsection 5 above.

## **PERMIT FEE**
